**Dual: La psicosis tiene doble dirección (Spanish Edition)** José Antonio Murgui

La semana fallera será el escenario de horribles crímenes. Una cadena de asesinatos que no tienen verdugo. Carlos Albelda, el comisario a cargo de la investigación, se verá envuelto en una truculenta historia en la que nadie saldrá indemne. Psicosis, miedo, amor, decepción y problemas afectivos son el fondo de esta historia con dobles direcciones.

José Antonio Murgui refleja en esta historia la capacidad del ser humano para vivir diferentes realidades, todas al mismo tiempo, no siempre hacia la misma dirección. Una complicada estructura que hará que el lector no pueda dejar de leer hasta conocer el resultado de esta investigación.

La psicosis tiene doble dirección y el ser humano es, al menos, dual.
