Gifted: A Basket Weaver's Tale Valerie Banfield

When Alzheimer's hijacked her father, disorder upended Connie's world. When a stranger uses her as a pawn, danger lurks and chaos simmers. Evan Nichols has the evidence; an unsavory pair wants it back. If he's caught? He hasn't much at stake. He's already lost his wife and kissed his home goodbye. He drives a disintegrating rattletrap; his business is on life support. Since the Alzheimer's diagnosis, confusion and turmoil override Connie Thompkins' routine life as a CPA and part-time basket weaver. When Evan's misdeeds spiral into Connie's realm, his antics challenge her faith and steal her contentment. The immediate distaste they hold for each other leaves them flailing in a tangled web of distrust and discord. He needs a willing accomplice. She wants the sneaky interloper to right his life's ambitions and choose an honorable path. They can't undo the past. Can they salvage their futures?
