## **In the Footsteps of William Wallace** Alan Young, Michael J Stead

For nearly 700 years debate has raged over the true nature of William Wallace and his role in Scotland's turbulent history. Was he the Braveheart of Blind Harry's legendary account, the bold, but savage, hero of the Scottish wars? Or, as some contemporary chroniclers attested, nothing but a villainous thief and vagrant fugitive? This book draws on a wide range of contemporary and modern sources to look behind the figure of legend to find Wallace's true character. Through superb photographs, we trace the journey of Wallace from his modest upbringing in south-west Scotland and his first victory as a 'guerilla' leader and military commander at Stirling Bridge to his painful death seven years later. We see his 'invasion' of Northumberland and Cumberland. This is an essential travelling companion for a journey through Wallace's kingdom and to learn more about the myth and the man.
