Proper English governess Eleanor Morgan flees to the colonies to escape the wrath of a brute of an employer. When the Charles Town family she's to work for never arrives to collect her from the dock, she is forced to settle for the only reputable choice remaining to her—marriage to a man she's never met. Trapper and tracker Samuel Heath is a hardened survivor used to getting his own way by brain or by brawn, and he's determined to find a mother for his young daughter. But finding a wife proves to be impossible. No upstanding woman wants to marry a murderer.
