Cage of Eden Vol. 2 Yoshinobu Yamada

Akira and his classmates are on a plane heading back home after a field trip abroad. Suddenly the plane crashes on a mysterious island. Akira is somehow still alive despite the crash, but soon discovers that he's not exactly safe and sound when enormous supposedly extinct beasts begin chasing him. Akira begins to find other classmates who have also survived the crash. Some work together and some work against each other in an effort to survive on the strange island. FIGHT AND/OR FLIGHT? As if being stranded on a deserted island full of prehistoric beasts wasn't bad enough, now there's a killer among the human survivors of the plane crash. Akira Sengoku and his classmates are forced to fight and flee dangerous monsters of a bygone era, all while keeping themselves safe from a hockey-masked madman who seems bent on Akira's destruction. When the chips are down, can Akira and his ragtag band of survivors defend themselves against both man and beast? Find out in this action-packed second volume of Cage of Eden! Includes special extras after the story!
