El cardenismo. Una utopía mexicana (Problemas De Mexico/ Problems of Mexico) (Spanish Edition)

Adolfo Gilly

El cardenismo fue, a la vez, un momento histórico, el ideario de un movimiento y el imaginario de una época, la de los turbulentos años treinta del siglo XX. Quedó en el recuerdo como un mito, la materialización fugaz de una utopía práctica y sencilla en tierras mexicanas. Este apasionante libro, narración e historia de los hechos que culminaron en la reforma agraria y la expropiación del petróleo, es también un meticuloso e innovador estudio de las ideas y los combates de sus protagonistas, del imaginario de esos tiempos y de las razones de la persistencia de aquel cardenismo en el México de los tiempos presentes.
