Simon Whitechapel

Flesh Inferno: Atrocities of Torquemada and the Spanish Inquisition. (The Blood History Series)

Simon Whitechapel

The Spanish Inquisition was established in 1478 to root out and destroy heretics against Catholicism. Tomas Torquemada, a Dominican Friar, was single-handedly responsible for engineering and implementing some of the cruellest forms of torture the world has ever known. This full-bloodied biographical account of Torquemada offers a no-holds-barred look at what really went on during the Spanish Inquisition, one of the most inhumane periods in history. The sequel to *Caligula: Divine Carnage*.

Simon Whitechapel is also the author of *Kamp Kulture* (Creation, Aug '03)
