**Godforsaken Idaho** Shawn Vestal

**Winner of the 2014 PEN/Robert W. Bingham Prize for Debut Fiction Shortlisted for the William Saroyan International Prize for Writing Named "Outstanding 2013 Collection" by The Story Prize Pushcart Prize Winner**

In this stunning debut, Shawn Vestal transports us to the afterlife, the rugged Northwest, and the early days of Mormonism. From "The First Several Hundred Years Following My Death," an absurd, profound vision of a hellish heaven, to "Winter Elders," in which missionaries calmly and relentlessly pursue a man who has left the fold, these nine stories illuminate the articles of faith that make us human.

The concluding triptych tackles the legends and legacy of Mormonism head-on, culminating in "Diviner," a seriocomic portrait of the young Joseph Smith, back when he was not yet the founder of a religion but a man hired to find buried treasure. *Godforsaken Idaho* is an indelible collection by the writer you need to read next.
