Use SPEED READING in your life before you even buy this book:

1 - Before reading any page at all, briefly scan over it for about two seconds so you'll get the slightest hint of what the page is about. This will also cause curiosity and helps with keeping the attention during reading.

2 - When reading, chose to read in a comfortable position with enough lighting and a minimum of distractions. This will allow your brain to function at it's full capacity when reading.

3 - Begin at least 3 words in from the first word of each line, and end 3 words in from the last word. Your peripheral vision will still perceive the words you skimmed over.

Now GO and put these speed reading tricks to work in your life. **You will be shocked how much faster you'll be able to read.** Then come back here, because I have a whole bunch more to show you in the book "Speed Reading & Comprehension Guide".

Here's What You Will Find In This Book:

How you can read up to 300% faster under 4 hours

Exactly how you can comprehend and understand 80% of what you read
