Wiley CPA Examination Review, Financial Accounting and Reporting: Business Enterprises Patrick R. Delaney, Debra R. Hopkins

Published annually, this text is part of the four-volume study guide for the Certified Public Accountant's (CPA) Exam, and provides detailed outlines and problems and solutions, each packaged according to the examination part. Many of the questions are taken from the previous exams and provide the information needed to pass the Uniform CPA Examination. By combining and relating topics, understanding rather than rote memorization is fostered. Modules are sequenced in a manner similar to leading textbooks, which allows the four-volume configuration to be easily used as supplements in curricular courses.
