Nursing for Wellness in Older Adults Carol A. Miller

This updated Seventh Edition of Carol Miller's acclaimed RN-level text covers the theory and practice of wellness-oriented gerontological nursing, addressing both physiologic and psychosocial aspects of aging. Organized around the author's unique Functional Consequences Theory, the book explores age-related changes as well as the risk factors that often interfere with optimal health and functioning.

The Seventh Edition includes a new focus on caregiver wellness, quality care concerns, and AACN/HIGN standards, ensuring students are prepared to implement safe, effective practice. In addition, an expanded array of online resources saves instructors time and helps students succeed.
