Old Town Plaza has been the center of Albuquerque community life since the city was founded in 1706 by Governor Francisco Cuervo y Valdez. Historically known as the crossroads of the Southwest, and reflecting an amalgamation of Spanish, Mexican and Native American cultures, Old Town Plaza has been home to many of New Mexico's proud ancestors--and still is. Ghosts of Old Town Albuquerque presents the evidence of their specters wandering the shadows, gathered by author Cody Polston, president of the Southwest Ghost Hunter's Association. Having tracked spirits for three decades, including in such landmarks as the Bottger Mansion and Casa de Ruiz, Polston vows that pragmatism still can't explain away many of Old Town Plaza's eerie wraiths.
