Kathmandu

Thomas Bell

Kathmandu Thomas Bell

One of the greatest cities of the Himalaya, Kathmandu, Nepal, is a unique blend of thousand-year-old cultural practices and accelerated urban development. In this book, Thomas Bell recounts his experiences from his many years in the city—exploring in the process the rich history of Kathmandu and its many instances of self-reinvention.

Closed to the outside world until 1951 and trapped in a medieval time warp, Kathmandu is, as Bell argues, a jewel of the art world, a carnival of sexual license, a hotbed of communist revolution, a paradigm of failed democracy, a case study in bungled western intervention, and an environmental catastrophe. The layered development of the city can be seen in the successive generations of its gods and goddesses; its comfort in the caste system and ethos of aristocracy and kingship; and the recent destabilizing effects of consumerist approaches and the push for egalitarianism and democracy. In important ways, Kathmandu's rapid modernization can be seen as an extreme version of what is happening in other traditional societies. Bell also discusses the ramifications of the recent Nepal earthquake.

A comprehensive look at a top global destination, *Kathmandu* is an entertaining and accessible chronicle for anyone eager to learn more about this fascinating city.

From reader reviews:

Peter Clark:

Within other case, little men and women like to read book Kathmandu. You can choose the best book if you'd prefer reading a book. So long as we know about how is important any book Kathmandu. You can add information and of course you can around the world by just a book. Absolutely right, simply because from book you can recognize everything! From your country right up until foreign or abroad you will find yourself known. About simple issue until wonderful thing you could know that. In this era, we could open a book or maybe searching by internet system. It is called e-book. You should use it when you feel uninterested to go to the library. Let's learn.

Clinton Whitten:

As people who live in the particular modest era should be change about what going on or facts even knowledge to make them keep up with the era and that is always change and advance. Some of you maybe can update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know what kind you should start with. This Kathmandu is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and wish in this era.

Jack Harbin:

People live in this new day of lifestyle always try and and must have the spare time or they will get lot of stress from both daily life and work. So , if we ask do people have spare time, we will say absolutely yes. People is human not just a robot. Then we ask again, what kind of activity do you possess when the spare time coming to you actually of course your answer can unlimited right. Then ever try this one, reading ebooks. It can be your alternative in spending your spare time, the actual book you have read is Kathmandu.

James Esparza:

As we know that book is vital thing to add our knowledge for everything. By a book we can know everything we would like. A book is a group of written, printed, illustrated or blank sheet. Every year has been exactly added. This reserve Kathmandu was filled in relation to science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading any book. If you know how big selling point of a book, you can truly feel enjoy to read a guide. In the modern era like now, many ways to get book you wanted.
