Bone River Megan Chance

Selected by Amazon's editors as a Best Book of the Month in Literature & Fiction, December 2012

In the mid-19th century, Leonie Monroe Russell works alongside her husband, Junius, an oysterman in Shoalwater Bay in the Pacific Northwest. At night she continues her father's lifelong obsession: collecting artifacts and studying the native culture that once thrived in the Washington Territory.

On her 37th birthday, Leonie discovers a mummy protruding from the riverbank bordering her property--a mummy that by all evidence shouldn't exist. As Leonie searches for answers to the mummy's origins, she begins to feel a mystical connection to it that defies all logic. Leonie's sense that otherworldly forces are at work only grows when news of the incredible discovery brings Junius's long lost son, Daniel, to her doorstep. Upon his unexpected arrival, a native elder insists that Leonie wear a special shell bracelet for protection. But protection from whom? The mummy? Or perhaps Daniel?

Leonie has always been a good daughter and good wife, but for the first time, these roles do not seem to be enough. Finding the mummy has changed everything, and now Leonie must decide if she has the courage to put aside the expectations of others to be the woman she was meant to be.

From award-winning author Megan Chance, *Bone River* is a haunting, lyrical tale of passion and identity.

From reader reviews:

Shelia Coggins:

The book Bone River can give more knowledge and information about everything you want. So just why must we leave a good thing like a book Bone River? A number of you have a different opinion about publication. But one aim which book can give many data for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or data that you take for that, you are able to give for each other; it is possible to share all of these. Book Bone River has simple shape but you know: it has great and large function for you. You can appearance the enormous world by wide open and read a guide. So it is very wonderful.

Elizabeth Pipkin:

In this 21st century, people become competitive in every way. By being competitive at this point, people have do something to make these individuals survives, being in the middle of the particular crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated this for a while is reading. That's why, by reading a book your ability to survive increase then having chance to remain than other is high. In your case who want to start reading any book, we give you this Bone River book as basic and daily reading reserve. Why, because this book is more than just a book.

Louise Suttle:

This Bone River are generally reliable for you who want to become a successful person, why. The reason why of this Bone River can be one of several great books you must have is definitely giving you more than just simple examining food but feed you actually with information that probably will shock your earlier knowledge. This book is handy, you can bring it everywhere you go and whenever your conditions in the e-book and printed ones. Beside that this Bone River forcing you to have an enormous of experience including rich vocabulary, giving you trial run of critical thinking that could it useful in your day action. So , let's have it and enjoy reading.

Kristin Sayler:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Bone River can make you really feel more interested to read.
