Enrique Cárdenas

## El proceso económico. México (1930-1960) (Spanish Edition) Enrique Cárdenas

Se presenta una síntesis de los principales aspectos macroeconómicos y microeconómicos del período entre 1930 y 1960, en el que la población, la economía y la sociedad mexicanas experimentaron transformaciones iniciadas a partir de las decisiones que se tomaron para convertir la crisis de 1929-1930 en una oportunidad para modernizar la economía.

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

### Distinciones:

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial
