The No Spin Zone: Confrontations with the Powerful and Famous in America Bill O'Reilly

On the heels of his runaway *New York Times* bestseller, *The O'Reilly Factor*, Bill O'Reilly delivers another strong dose of no-holds-barred advice and the unvarnished truth for America.

Bill O'Reilly is even madder today than when he wrote his last book *The O'Reilly Factor*—and his fans love him even more. He's mad because things have gone from bad to worse, in politics, in Hollywood, in every social stratum of the nation. True to its title, *The No-Spin Zone* cuts through all the rhetoric that some of O'Reilly's most infamous guests have spewed to expose what's really on their minds, while sharing plenty of his own emphatic counterpoints along the way.

Shining a searing spotlight on public figures from President George W. Bush and Senator Hillary Clinton to the Reverend Jesse Jackson, Al Sharpton, and his former CBS News colleague Dan Rather, *The No-Spin Zone* is laced with the kind of straight-shooting commentary that has made O'Reilly the voice of middle America's disenfranchised. Examining sex and violence in the media and the tarnished legacy of the Clintons with the same feistiness as the death penalty (which he opposes) and timid national news organizations that roll over for the powerful, Bill O'Reilly delivers not only his opinions, but the documented attitudes of the country's movers and shakers as well. It demonstrates just why O'Reilly has become the most successful, the most controversial, the most beloved (by some), and the most disliked (by others) figure in television news today—and a culture hero to tens of millions of everyday Americans. And that's fact, not spin.

From the Hardcover edition.
