The Story of Ireland

Brendan O'Brien

The Story of Ireland Brendan O'Brien

We are going on a long, mysterious journey to find out what we can about the island of Ireland... The Story of Ireland begins 'After the Ice' and lasts 9,000 years. It tells the story of the whole island and its people. The book's 27 chapters chronicle invasions, wars, Christianity, famine and a divided island, mixed with tales of Celtic head hunters, mysterious stone tombs, the Vikings, the black death, life in castles, the Titanic tragedy, music, mobiles and computers. When it ends a new story is just beginning. With beautiful and humorous illustrations throughout, and visual jokes on each page, the history of Ireland is presented in an engaging and readable manner. The Story of Ireland recounts the entire history of Ireland from the ice age to the present day, ties in with the school curriculum, and is excellent for school projects - this is one book that no library or classroom should be without. Included in the International Youth Library's White Ravens 2008 collection.

And so there are a lot of benefits that you will get when you buy this book.

John Mendoza:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Story of Ireland can make you truly feel more interested to read.
