Fundamentalism and Evangelicals (Oxford Theological Monographs)

Harriet A. Harris

Fundamentalism and Evangelicals (Oxford Theological Monographs) Harriet A. Harris

This study examines the contentious claim that much evangelicalism is fundamentalist in character. Within Protestantism, the term "fundamentalism" denotes not only a movement but also a mentality which has greatly affected evangelicals, and which involves preserving as factual a reading of scripture as possible. Here the development and dismantling of the fundamentalist mentality is examined in light of philosophical influences upon evangelicalism over the last three centuries, notably: Common Sense, Realism, neo-Calvinism, and modern hermeneutical philosophy. Particular attention is paid to James Barr's critique of fundamentalism and to evangelical rejoinders.
