Manuel Salazar

Letras del horror, Las Tomo II: La CNI (Spanish Edition) Manuel Salazar

El segundo volumen de Las letras del horror se enfoca en el organismo creado por la dictadura luego de la disolución de la DINA: la Central Nacional de Informaciones, CNI, que lejos de terminar con el terror, se caracterizó por una mayor “profesionalización” de sus miembros y métodos, si un término como este le cabe al vil oficio del exterminio programado. Operación Albania, Misión Alfa Carbón, Carrizal, Las Vizcachas y muchas otras operaciones represivas son detalladas en estas páginas, además de las estrategias de algunos militares para asegurarse un retiro holgado.
