The freer the markets people live in, the better they flourish. *Free Our Markets* explains why, in terms of foundational economic principles. Dr. Baetjer aims to show readers that liberty, not the force of government, is the means to achieve the goals we all have for humanity--high and rising standards of living, increasing security and abundance for all. In this book Baetjer presents the principles of spontaneous economic order and explains why, for practical economic reasons, free markets produce better results than even the best intended and most carefully crafted government interventions.
