Reworking Gender: A Feminist Communicology of Organization Karen Lee Ashcraft, Dennis K. Mumby

Reworking Gender: A Feminist Communicology of Organization examines the place of gender and feminist scholarship in contemporary critical organization studies. Departing from the common view of gender as a specialized branch of organization scholarship, authors Dennis K. Mumby and Karen Lee Ashcraft reposition feminism in a communication-centered model that integrates recent developments in feminist, critical, and postmodern organizational studies. Linking theory to practical projects, the authors address many of the complex and often contradictory concerns of critical organizational scholarship, including issues of discourse, subjectivity, power, race, and class.
