Good Mourning

Elizabeth Meyer

Good Mourning Elizabeth Meyer

In this funny, insightful memoir, a young socialite risks social suicide when she takes a job at a legendary funeral chapel on New York City's Upper East Side.

Good Mourning offers a behind-the-scenes look at one of the most famous funeral homes in the country—where not even big money can protect you from the universal experience of grieving. It's *Gossip Girl* meets *Six Feet Under*, told from the unique perspective of a fashionista turned funeral planner.

Elizabeth Meyer stumbled upon a career in the midst of planning her own father's funeral, which she turned into an upbeat party with Rolling Stones music, thousands of dollars worth of her mother's favorite flowers, and a personalized eulogy. Starting out as a receptionist, Meyer quickly found she had a knack for helping people cope with their grief, as well as creating fitting send-offs for some of the city's most high-powered residents.

Meyer has seen it all: two women who found out their deceased husband (yes, singular) was living a double life, a famous corpse with a missing brain, and funerals that cost more than most weddings. By turns illuminating, emotional, and darkly humorous, *Good Mourning* is a lesson in how the human heart grieves and grows—whether you're wearing this season's couture or drug-store flip-flops.

From reader reviews:

Orlando Bush:

As people who live in the actual modest era should be change about what going on or information even knowledge to make these keep up with the era and that is always change and make progress. Some of you maybe will probably update themselves by studying books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This Good Mourning is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Patricia Nebeker:

People live in this new day of lifestyle always make an effort to and must have the free time or they will get large amount of stress from both way of life and work. So , once we ask do people have time, we will say absolutely sure. People is human not just a robot. Then we question again, what kind of activity have you got when the spare time coming to a person of course your answer can unlimited right. Then ever try this one, reading publications. It can be your alternative within spending your spare time, often the book you have read will be Good Mourning.

Robert Music:

Are you kind of stressful person, only have 10 or even 15 minute in your moment to upgrading your mind skill or thinking skill also analytical thinking? Then you are experiencing problem with the book compared to can satisfy your short period of time to read it because all this time you only find reserve that need more time to be go through. Good Mourning can be your answer mainly because it can be read by anyone who have those short free time problems.

Kenneth Sigler:

Reading a book make you to get more knowledge from that. You can take knowledge and information from the book. Book is written or printed or descriptive from each source that filled update of news. In this particular modern era like today, many ways to get information are available for a person. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, story and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just in search of the Good Mourning when you desired it?
