Institutional Repositories: Content and Culture in an Open Access Environment (Chandos Information Professional Series)

Catherine Jones

Institutional Repositories: Content and Culture in an Open Access Environment (Chandos Information Professional Series) Catherine Jones

A practical guide to current Institutional Repository (IR) issues, focussing on content - both gaining and preserving it and what cultural issues need to be addressed to make a successful IR. Importantly, the book uses real-life experiences to address and highlight issues raised in the book.

- Written by a successful Institutional Repository project manager
- The author has detailed knowledge of Institutional Repository issues
- Draws on practical knowledge and experience gained from organisational use
