The Book Of The Great Decease: Maha-Parinibbana-Sutta Gautama Buddha

The Malalankara-vatthu, a late Pali work by a Burmese author of the eighteenth century, is based, in that part of it relating to the last days of the Buddha, almost exclusively on the Book of the Great Decease, and on Buddhaghosa's commentary upon it. Bishop Bigandet's translation into English of a Burmese translation of this work, well known under the title of 'The Life or Legend of Gaudama the Budha of the Burmese,' affords evidence therefore of the traditional explanations of the text.
