The Mistress's Dog is an engaging new collection of twelve short stories by David Medalie, including two award winners – 'Recognition' and 'The Mistress's Dog' – and a Foreword and Afterword, 'Observations on Post-apartheid Literature', by Michael Titlestad. Deft, subtle and nuanced, Medalie's stories show an accomplished and mature writer at his best. Their focus is the lived experience of people: ostensibly uneventful lives into which the unexpected erupts. These stories find significance in the reversals, ironies and coincidences of existence. They bring the characters – and the reader – to the brink of recognition.
