Welcome to the Christian Faith (Welcome to the Episcopal Church) Christopher L. Webber

We live in a world increasingly separated from the Christian tradition and the basic understanding of the faith that previous ages might have taken for granted. The voices of faith seem increasingly strident and off-putting to many. There is a need for a calmer, basic introduction to faith that recognizes the value of doubt and the questions raised in a secular society.

A systematic introduction to Christianity for newcomers needs to begin with a discussion of faith itself, which this new book does. It then moves on to a discussion of such Christian basics as God, Trinity, Church, sin, atonement, prayer, and Christian living.
