A-Z Japanese Performance Cars Chris Rees

Since the late 1980s Japanese motor manufacturers have been producing a line of high-performance cars that has found a ready market around the world. The combination of their abilities on the road, their traditional Japanese build quality and their reasonable pricing has captivated enthusiasts. Yet there has never been a single source in which to read and find out about these giants of the motoring world. Now, this exciting book profiles all Japan's greatest performance models, detailing their history, technical make-up and potential for speed. Each car is also rated for its desirability, tuneability and availability. At last, here is a book that fills a yawning gap: a reliable source of information about all the most significant and fascinating Japanese performance cars, many of which have never been written about in English before.
