The Cat From Hunger Mountain Ed Young

Caldecott Medalist Ed Young delivers a visually stunning, poignant story about humility, wastefulness, and appreciating what one has.

In a place called Hunger Mountain there lives a lord who has everything imaginable yet never has enough. To satisfy his every desire, he hires builders to design the tallest pagoda; a world-famous tailor to make his clothing from silk and gold threads; and a renowned chef to cook him lavish meals with rice from the lord's own fields. What more could he possibly want?

Yet when drought plagues the land, Lord Cat is faced with his first taste of deep loss, he ventures down the mountain and what he discovers will change his life forever.

Rendered in exquisite mixed-media collage, Caldecott Medalist Ed Young's deceptively simple fable is a deeply affecting tale about appreciating the value of treasures that need not be chased.

From the Hardcover edition.
