*Sean Patrick Duffy, Paul Rinkes*

**Wheeling (Then and Now)** Sean Patrick Duffy, Paul Rinkes

The convergence of the Ohio River, the National Road, a remarkable bridge, and the Baltimore and Ohio Railroad transformed Wheeling into a transportation hub. Fed by an influx of immigrant labor, the city prospered, adding industrial muscle. But global economic changes brought the machine to a sudden halt. In *Then & Now: Wheeling* author Seán Duffy and photographer Paul Rinkes explore a city still recovering from that trauma, a city with a proud past and an uncertain but hopeful future.

We should have *Wheeling (Then and Now)*.

#### **Alex Miller:**

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this *Wheeling (Then and Now)* can make you experience more interested to read.
