Will Christina finally escape the evil clutches of the Schooner Inne—or will she succumb to its fiery pull?

The final book in the Fog, Snow, and Fire trilogy finds Christina at the end of her seventh-grade school year—in just eighteen days the semester will end, freeing her from the terrible Schooner Inne and the Shevvingtons, her creepy hosts. In just eighteen days she'll be back home on her beloved Burning Fog Island for the summer. And since the Shevvingtons may be moving out of town next year, Christina may finally be safe and free of them forever. But then Christina begins sleepwalking, and doing odd things like leaving lit candles around the house, carrying around pockets full of matches, and doodling flames into her textbooks—or so claim the Shevvingtons. Can Christina survive the Shevvington's insane tricks until the school year ends? Or will the Shevvingtons use all eighteen days to make Christina's life a living—and fiery—hell?
