Out of My Mind Andy Rooney

Every Sunday evening, millions of viewers tune in to *60 Minutes* to hear Andy Rooney riff on everything from coffee percolators to the state of the union. Millions more read his weekly newspaper column. Why? Because Rooney tells it like it is. But Rooney fans have never seen him quite like this. Andy Rooney is plain frustrated by what's going on in America and the world. Why can't Americans—let alone our president—speak English anymore? How do we expect to fight a terrorist enemy that we can't even locate? And when did capitalism go so terribly wrong? This book isn't all heady stuff, though. Readers will also get the familiar—and hysterical—Rooney gripes about everyday foibles, such as the impossibility of physically locating your driver's registration, of purchasing a genuinely healthy breakfast cereal, or of enjoying a college reunion—unless everyone ends up in their nighties, that is. PublicAffairs is pleased to present its fifth collaboration with Andy Rooney. Loyal Rooney fans and anyone who enjoys a good laugh at life's absurdities will be thrilled to add it to the bookshelf during the holidays.
