Shutter Island

Dennis Lehane

Shutter Island Dennis Lehane

The basis for the blockbuster motion picture directed by Martin Scorsese and starring Leonardo DiCaprio, *Shutter Island* by *New York Times* bestselling author Dennis Lehane is a gripping and atmospheric psychological thriller where nothing is quite what it seems. The *New York Times* calls *Shutter Island*, “Startlingly original.” The *Washington Post* raves, “Brilliantly conceived and executed.” A masterwork of suspense and surprise from the author of *Mystic River* and *Gone, Baby, Gone*, *Shutter Island* carries the reader into a nightmare world of madness, mind control, and CIA Cold War paranoia and is unlike anything you’ve ever read before.
