Foundations of Aural Rehabilitation (Singular Audiology Textbook) Nancy Tye-Murray

Foundations of Aural Rehabilitation: Children, Adults & Their Families is an excellent introductory textbook that is packed with numerous practical suggestions, example programs, training materials, case studies, and class exercises that review state-of-the-art research in a way that motivates practical considerations.

Comprehensive and easy-to-read, it includes many fine tables, figures, and photographs for planning class lectures and discussion. The chapters are well organized and flow logically from one subject to the next for a readable, "student-friendly" format.
