Dawn Phd Prince-Hughes

Songs of the Gorilla Nation: My Journey Through Autism Dawn Phd Prince-Hughes

“This is a book about autism. Specifically, it is about my autism, which is both like and unlike other people’s autism. But just as much, it is a story about how I emerged from the darkness of it into the beauty of it.”

In this elegant and thought-provoking memoir, Dawn Prince-Hughes traces her personal growth from undiagnosed autism to the moment when, as a young woman, she entered the Seattle Zoo and immediately became fascinated with the gorillas.

Having suffered from a lifelong inability to relate to people in a meaningful way, Dawn was surprised to find herself irresistibly drawn to these great primates. By observing them and, later, working with them, she was finally able to emerge from her solitude and connect to living beings in a way she had never previously experienced.

Songs of the Gorilla Nation is more than a story of autism, it is a paean to all that is important in life. Dawn Prince-Hughes’s evocative story will undoubtedly have a lasting impact, forcing us, like the author herself, to rediscover and assess our own understanding of human emotion.

Kim Heflin:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Songs of the Gorilla Nation: My Journey

Through Autism can make you sense more interested to read.
