Tons of Trucks Sue Fliess

Big trucks, small trucks, dump trucks, tow trucks, and all kinds of other trucks can be found in this playful touch-and-move book. A backhoe scoops and digs, a cement truck spins, a tar truck oozes sticky tar, and tabs pull up and out to reveal surprises. The trucks eventually slow down for a rest, where little hands can lift the flaps to see animals snuggling up for sleepy-time—under a rising moon. Filled with vibrant art and adorable characters, this book gives a child everything he's looking for when he presses his face against the fence at a construction site!
