## **In over their heads?**

**THE YEAR IS 1899**, and the Travelin' Nine are barnstorming their way across the good ol' U.S. of A., trying to raise money to pay off the Payne family's big-league debt.

Griffith has a run-in with the Chancellor and learns that the baseball isn't the only item the infamous industrialist is after. Even more mysteriously, the Chancellor claims to have something that the Paynes want.

And Ruby. Where in the world has she vanished to? Does her disappearance have anything to do with the Chancellor's threats? Or is there some other plan in play?

And finally, Graham makes a heartfelt birthday wish and somehow gets exactly what he asks for. But questions still remain: Was it real? Can it possibly be true? Or is it all just a dream?

If they don't watch out, Griffith, Ruby, Graham, and the Travelin' Nine may find themselves in deep water in the Land of 10,000 Lakes!

### **From reader reviews:**

#### **Keith McLeod:**

Information is provisions for people to get better life, information today can get by anyone with everywhere. The information can be a understanding or any news even restricted. What people must be consider if those information which is in the former life are difficult to be find than now's taking seriously which one works to believe or which one typically the resource are convinced. If you get the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Water, Water Everywhere (Sluggers Book 4) as the daily resource information.

#### **Miriam Ellis:**

Are you kind of stressful person, only have 10 as well as 15 minute in your morning to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book than can satisfy your limited time to read it because this time you only find e-book that need more time to be read. Water, Water Everywhere (Sluggers Book 4) can be your answer given it can be read by anyone who have those short free time problems.

#### **Jacqueline Kellett:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Water, Water Everywhere (Sluggers Book 4) can make you feel more interested to read.

#### **Harry Alvey:**

Publication is one of source of knowledge. We can add our information from it. Not only for students but native or citizen need book to know the update information of year in order to year. As we know those textbooks have many advantages. Beside we add our knowledge, can bring us to around the world. From the book Water, Water Everywhere (Sluggers Book 4) we can consider more advantage. Don't you to be creative people? To get creative person must like to read a book. Simply choose the best book that ideal with your aim. Don't be doubt to change your life with this book Water, Water Everywhere (Sluggers Book 4). You can more appealing than now.
