“Truth does not know names and it does come with labels - Judaism, Christianity, Islam, Hinduism etc. are merely expressions of the human desire to find answers to its mortality.” This book will show you immortal life as the ancients have always known it to be. It contains the secrets that have been kept under lock and key for two millennia. Many devoted men risked their lives and all that they possessed to preserve this knowledge which was driven underground because it goes against the teachings of established religion which aims at destroying this knowledge at all cost. This knowledge was banned by the Catholic Church and other faiths. It is the “stuff” of which many secret societies believe they are the appointed gates and keepers. The author teaches that the time has come for humanity to understand the great truths that our forefathers knew and lived. The author has spent many years investigating and researching the information presented in this book. He sees his calling integrated in the truths that are revealed in this book. This timely release promises to give you a fresh and new understanding of subjects like eternal life, the judgement, the resurrection, salvation, the rebellion of the angels, the fall of mankind, repentance, Israel, the Kingdom of God, too many to list here that will rekindle your love for your Creator.
