Alphadoodler: The Activity Book That Brings Letters to Life Jan Bajtlik

Watch letters of the alphabet come to life in this hugely imaginative scribble book by Polish graphic designer Jan Bajtlik. *Alphadoodler* invites children to play with typography, using well-known letterforms to create creepy-crawlies, impossible skyscrapers, a crocodile's toothy grin, and even ghost letters with toothpaste. Packed full of activities for children to draw, scribble, cut, color, glue, paint, and design, *Alphadoodler* sees letters camouflaged in a messy bedroom, skiing down a mountain, growing leaves, and leaving the reader pondering: Is an O an octopus without tentacles, or an elephant without a trunk?

In this entertaining and electrifying book, letters bend, break, hide, and slide to become something truly larger than life.
