Sorceress. Seductress. Schemer. Cleopatra's daughter is the emperor's most unlikely apprentice and one woman with the power to destroy his empire...

Having survived her perilous childhood as a royal captive of Rome, Selene pledged her loyalty to Augustus and swore she would become his very own Cleopatra. Now the young queen faces an uncertain destiny in a foreign land.

The magic of Isis flowing through her veins is what makes her indispensable to the emperor. Against a backdrop of imperial politics and religious persecution, Cleopatra's daughter beguiles her way to the very precipice of power. She has never forgotten her birthright, but will the price of her mother's throne be more than she's willing to pay?
