The Gospel of John (Catholic Commentary on Sacred Scripture)

Francis Martin, William M. IV Wright

The Gospel of John (Catholic Commentary on Sacred Scripture) Francis Martin, William M. IV Wright

"This extraordinary book is a result of the rich renewal in biblical studies that has taken place in the last twenty-five years. Increasingly scholars see the importance of putting historical analysis of the scriptural texts in dialogue with theology, spirituality, and the dogmatic tradition. Francis Martin and William Wright have produced just such a reading of the Gospel of John. Their commentary is textured, smart, accessible, and spiritually alert. I would recommend it to novices and scholars alike."

--**Robert Barron**, rector/president, Mundelein Seminary

"Commentaries on John are beyond counting. But amid the many books devoted to this great Gospel, this volume stands out for its easy accessibility, academic thoroughness, and enthusiastic support of the Roman Catholic tradition, its liturgical calendar, and its teachings. Abundant fascinating sidebars draw the reader back in time to both the biblical world and the great voices of the Catholic Church. An ideal commentary for lay leaders, teachers, and priests in the Catholic tradition."

--**Gary M. Burge**, professor of New Testament, Wheaton College and Graduate School

Praise for the Catholic Commentary on Sacred Scripture

"The Word of God is the source of Christian life, and the Catholic Commentary on Sacred Scripture is an ideal tool for living our faith more deeply. This extraordinary resource feeds both the mind and the heart and should be on the shelf of every committed Catholic believer. I highly recommend it."

--**Charles J. Chaput, OFM Cap**, Archbishop of Philadelphia

"When the Scripture is read in the liturgy, it is heard as a living voice. But when expounded in a commentary, it is too often read as a document from the past. This fine series unites the ancient and the contemporary by offering insight into the biblical text--verse by verse--as well as spiritual application to the lives of Christians today."

--**Robert Louis Wilken**, University of Virginia
