## **Doctor Who: The Eleventh Doctor Archives #21** Matt Sturges

The Doctor and Sir Callum have ridden out to storm the Dread Tower, but what they discovered there casts a new and terrible light on the history of this medieval fantasy world. With Amy's life hanging by a thread, the Doctor is running out of time. And the only thing standing between them is... well, it's a really big, fire-breathing dragon controlled by a psychopath. That's a new one. Matt Sturges, Eisner Award-nominated writer of *Jack of Fables*, spins this yarn, featuring covers by Mark Buckingham of *Miracleman* and *Fables* fame.
