**God's Design for Men and Women: Gender Roles and Their Place in the Life of the Christian** Stephen Lukens

God's Design for Men and Women takes a look at some of the issues that arise within the discussion about gender and the place it takes in the life of the Christian. It examines those gender roles through examples laid out in the pages of Scripture. Following a narrative that begins with the creation story, in the book of Genesis, it continues through the Bible in order to attempt to create an understanding of what it means to live in the way that Christ has designed men and women to live.
