2nd Amendment Remedies (Scott Wolfe Series) (Volume 2) S.L. Shelton

Scott Wolfe has been struggling to recover from the injuries he sustained while rescuing girlfriend Barb in Europe only two months earlier--physical and emotional injuries that threaten his relationship, his peace and his sanity.

Back home and just starting to ease into real life again, his old life now seems too small to contain him any longer. So when CIA Agent John Temple, asks for Scott's help hunting down a missing and possibly rogue ex-Agent, Scott jumps at the chance, despite Barb's misgivings.

Veiled in the background, sinister forces conspire to not only find the missing ex-Agent first, but to viciously block access to him and the information he is carrying, before their powerful organization is revealed. Hamstrung by Agency policy and Scott's physical limitations, he and John have to find, contain and possibly kill ex CIA Agent, Mark Gaines.
