Complete Set, Wiley CPA Examination Review 4.0 for Windows(r) Patrick R. Delaney

This disc reviews all four parts of the CPA exam, covering detailed outlines, study guides, problems and solutions. Many of the questions are taken from previous exams which also incorporate all of the new question formats. With over 2700 multiple choice questions and 150 practice problems and essay questions, this set provides the information needed to pass the Uniform CPA Examination. The books and software combine over 230 AICPA content specifications into the series of related modules which gives the candidate flexibility in planning. The work helps to build knowledge in a logical, reinforcing way that allows candidates to focus on the specific topic that needs the most work.
