## **El Libro de los Mediums (Spanish Edition)** Allan Kardec

El Libro de los Médiums trata sobre la mediumnidad, facultad que permite la comunicación entre los hombres y los Espíritus de los llamados muertos. Allan Kardec fue el primero en estudiar la mediumnidad con seriedad y método científico. El libro contiene las enseñanzas de los Espíritus sobre las clases de manifestaciones espirituales, los medios de comunicación con el mundo invisible, los diversos tipos de médiums y el desarrollo de la mediumnidad. Analiza con rigor científico los fraudes, los engaños y el charlatanismo; presenta métodos de constatación y control de las informaciones transmitidas por los Espíritus y propone el uso de la razón en el trato de asuntos relacionados con la espiritualidad.
