Welcome to "the Blister" -- a bizarre other-world colonized by humans sometime in the 22nd century, which quickly became a hotly-contested source of fertile land and natural resources long ago exhausted on Earth. In this new frontier, a rogue gunslinger and his companion wander across a wilderness in the grips of a civil war, encountering lawlessness, natives, and perversions of civilization in a world at the crossroads between the past and the future. The fact that said gunslinger is a bio-surgically modified silverback gorilla toting a pair of enormous revolvers is neither here nor there.

#### **Hattie Godfrey:**

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Six Gun Gorilla #1 (of 6) can make you really feel more interested to read.
