**The Daring Heart of David Livingstone: Exile, African Slavery, and the Publicity Stunt That Saved Millions** Jay Milbrandt

**The captivating, untold story of the great explorer, David Livingstone: his abiding faith and his heroic efforts to end the African slave trade**

Saint? Missionary? Scientist? Explorer?

The titles given to David Livingstone since his death are varied enough to seem dubious—and with good reason. In view of the confessions in his own journals, *saint* is out of the question. Even *missionary* is tenuous, considering he made only one convert. And despite his fame as a scientist and explorer, Livingstone left his most indelible mark on Africa in an arena few have previously examined: slavery.

His impact on abolishing what he called “this awful slave-trade” has been shockingly overlooked as the centerpiece of his African mission.

Until now.

*The Daring Heart of David Livingstone* tells his story from the beginning of his time in Africa to the publicity stunt that saved millions after his death.
