The Fatherless Journey Devotional Book is a must have for every fatherless young lady. It is a guide for your individual fatherless journey. This life guide will help strengthen you to continue on with life despite your circumstances. Being fatherless, you are faced with life obstacles that many fathered individuals do not understand. In addition to the obstacles, there are several statistics stacked against you, and this devotional is designed to guide you away from becoming another one of the statistics. Each day of this journey is filled with practical, yet Biblical guidance that will enable you to live a life of success. Sean P. Teis and April M. Yeager are siblings that grew up in a unique fatherless home, and they both realize that God brought them through it all. They now have the desire to spread hope to other fatherless individuals. Sean is the president of Life Factors Ministries. Since He grew up in a single parent home he understands first-hand the results of this devastating social issue. It is Sean's desire to flood fatherless families with Biblical tools and resources that will enable them to have a chance at a successful life.
