Talking Heads' Fear of Music (33 1/3)

Jonathan Lethem

Talking Heads' Fear of Music (33 1/3) Jonathan Lethem

It's the summer of 1979. A fifteen-year-old boy listens to WNEW on the radio in his bedroom in Brooklyn. A monotone voice (it's the singer's) announces into dead air in between songs "The Talking Heads have a new album, it's called Fear of Music" - and everything spins outward from that one moment.

Â

Jonathan Lethem treats *Fear of Music* (the third album by the Talking Heads, and the first produced by Brian Eno) as a masterpiece - edgy, paranoid, funky, addictive, rhythmic, repetitive, spooky and fun. He scratches obsessively at the album's songs, guitars, rhythms, lyrics, packaging, downtown origins, and legacy, showing how *Fear of Music* hints at the directions (positive and negative) the band would take in the future. Lethem transports us again to the New York City of another time - tackling one of his great adolescent obsessions and illuminating the ways in which we fall in and out of love with works of art.
